Message from the President

Welcome to our Fourth Annual Professional Retreat at Club Getaway in Kent, Connecticut. This year's theme is *Core Principles . . .Core Leadership*.

This retreat will provide you with opportunities to hone your skills as a school leader while also allowing you to meet and network with colleagues from around the city. The collegial environment will focus us on the challenges that face us as middle school educators.

The array of workshops throughout the weekend will provide you with ample opportunities to learn and grow as a professional. Thank you for joining us, and thank you to the MSPA Officers, Executive Board, Past Presidents, and General Membership for making the Fourth Annual MSPA Retreat for making this event a great success.
